

The Importance of Being Earnest - Oscar Wilde

**The Importance of Being Earnest
Oscar Wilde**

In this most popular of all Oscar Wilde's plays, two fashionable bachelors, Jack Worthing and Algernon Moncrieff, discover that each has been simplifying his social obligations via the use of a convenient false persona. Their comfortable white lies suddenly lead to chaos when romance enters the picture in the form of the lovely Gwendolyn Fairfax and the innocent Cecily Cardew. Hilarity ensues as the bachelors attempt to quickly untangle the web of their deceptions in order to win the lady of their choice and withstand the scrutiny of the formidable Lady Bracknell. - Summary by Kelly S. Taylor

Read by volunteer readers. 3 Tracks. Total Duration: 02:11:19
